This has to be a dream... It just can't be real... Is it because I watched that porn clip? Perhaps if I hadn't, they wouldn't have sent to me this task? I don't know... I'm not sure of anything right now.
If I refuse now, I'd ruin everything, and if I accept, then Lucas would have to really cum. If he doesn't, then they'll accuse him of being a liar and feeding the computer with incorrect data.
Mom, are you alright?
I'm fucked here... Jeessssusss... What should I do?
ALLMYLINKS.COM/MANDOLOGICA

This makes it so much more difficult.. I wish Lucas was selfish and argued with me to do it , then I would have stopped everything. But he's so caring... And he doesn't give a damn about the scholarship.
I'm confused, Lucas. I'm not sure what to say or what to do right now. I'm lost.
...
Mom, what's wrong? Look, we can stop the experiment at any time. Nothing can push you into doing something you don't want to do.
Is it because I'm your son?
Would it have been easier if you did it with another guy?
ALLMYLINKS.COM/MANDOLOGICA

No! If it were with another guy, I'd have never done this experiment in the first place. How could you ask me a question like that??
Who is it then?
It's because I'm your son, then. But I think doing this task will help someone you love so much. And this person isn't me, by the way.
Dad.
William?! How??
Yes, he is doing whatever it takes to make us some money.
Dad is getting old, Mom. You told me that due to the economic crisis, he works two shifts. He works more than 16 hours per day, even on the weekends.

ALLMYLINKS.COM/MANDOLOGICA

Oh my God...
As a little kid, not as the young, adult man you are now.
Oh, are you embarrassed? Come on, Mom. You saw me naked many times when I was a little kid.
Why not? Thanks to you, you should see how healthy a young man your son is. You should be proud of yourself. You brought me up so well. Haha.
ALLMYLINKS.COM/MANDOLOGICA

Life is a big joke, Mom.
I can't ask her to get naked just like that or rub my cock. She'll freak out. Hmmm...
Will you turn around? Or are you going to show me your back the whole evening?
Haha. Stop joking around, Lucas!
Anyway, what's next?
Okay... I will try.
ALLMYLINKS.COM/MANDOLOGICA

Well, I'd need something to turn me on since I can't touch or rub my cock.
No-No, Mom. It's a simpler than that, but I'm not sure if you'll agree to it.
No, you won't get naked.
Panties?
DON'T ask me to do it because I won't.
Well, I may agree, as long as I don't have to get naked.
Say it, then.
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

Could you take your panties off, please?
No judging, Mom. Please!
It's a fair request. You won't be naked, and your panties will turn me on.
Lucas... W-
Why the one that I'm wearing? Why not one from the closet?
ALLMYLINKS.COM/MANDOLOGICA

No-No, Lu-
Why can't I just shout at him to stop?
Why does the mother's moaning in that porn clip come into my head right now??
Because it's been rubbing your pussy the whole day. They will be warm to touch, and amazing scent to smell.
And it's my mother's panties. Don't you think this is hot enough to turn me on? It's forbidden fruit.
Please-please-please, Mom.
You're doing this for Dad too.
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

Mmm... Mom... What a great pussy scent you have!
L-Lucas... Stop saying those kinds of that stuff to me...P-Please.
This is insane. The whole situation is bizarre.
ALLMYLINKS.COM/MANDOLOGICA

Mmm... So waarrrmmm!
Oh... Gosh... His cock is erect a bit. I've just given my son my panties to turn him on... What kind of mother am I?
ALLMYLINKS.COM/MANDOLOGICA

What is it?
Don't-
Mom, could you... Nah, forget it.
I enjoy the smell of your panties, but I'm afraid that's not enough. I need something else to enjoy my eyes with for more stimulation.
Not to get you naked. But... maybe you can raise your dress a bit to see your... thigh?
ALLMYLINKS.COM/MANDOLOGICA

I'm embarrassed to ask you to do this. I thought I would cum by feeling your panties in my mouth, but it's difficult without rubbing my cock.
Jesus! Lucas...
Hush!! Stop explaining it to me.
Your explanation makes the situation worse.
ALLMYLINKS.COM/MANDOLOGICA

What should I do?
Okay-Okay... This's going to be the first and the last time!
We're doing this for Dad too.
ALLMYLINKS.COM/MANDOLOGICA

Does this work for you?
I need to what?
Aaa... Mom... You need to...
You need to do it in a teasing pose.
ALLMYLINKS.COM/MANDOLOGICA

Calm down, please.
Just a simple pose to help me out. I won't get excited by just looking at your thigh without posing.
It's inappropriate because we are a mother and son. I know, Mom!! But we are in a task now. And I'm losing my erection already. If you don't want it, please stop it now. Otherwise, please stop arguing with me for each request I ask you for.
What the hell are you talking about??
Do you want me to tease you??
Watch your mouth, Lucas!!! It's inap-
ALLMYLINKS.COM/MANDOLOGICA

No, Lucas... I'm not angry with you. I... It's just... hmmm...
I'm sorry. I didn't mean to stress you out.
If that experiment keeps you upset or disappointed with me, I don't want it then. Fuck the scholarship! Please, end it now! I'm stressed out.
Hehe. Great!
ALLMYLINKS.COM/MANDOLOGICA

That's right, but I'll keep trying. You must have this scholarship, Lucas. It's for your future, honey.
It's OK. I understand. I know how difficult it is for you to pretend like you're not my mother in this task.
You're always my angel, Mom.
I guess we need to start whole over again because your... Ehmm... erection is...
ALLMYLINKS.COM/MANDOLOGICA

Oh yeah.
Well, could you take your panties and rub your pussy with them, please? I want a fresh scent again.
Mom...??
Wha-
Ehhh... Sorry. Okay, give it to me.
ALLMYLINKS.COM/MANDOLOGICA

Turn around, please.
Please, Lucas. It's too difficult for me to show off my...
But I won't be such horny to-
Will that turn you on even if it's fake?
Why? Rubbing your pussy with your panties will get me excited too.
OK-Ok, nevermind. But could you at least moan during rubbing?
It doesn't have to be real. You can fake it.
Yes, please.

I won't judge Lucas, but I feel like I'm talking to another Lucas. Anyway, let me do it quickly to finish this damn task.
AHHH. Yeah... My pussy.
ALLMYLINKS.COM/MANDOLOGICA

It's one of the scenes we watched this afternoon. I think it'll help you to moan without faking it.
It won't hurt, Mom. You can just ignore it.
This is definitely going to make you horny.
What is that??
Lucas, but...
ALLMYLINKS.COM/MANDOLOGICA

I...
Yes, honey. Rub my pussy more.
ALLMYLINKS.COM/MANDOLOGICA

Harder, sweetie!
Ahh... No... No...
ALLMYLINKS.COM/MANDOLOGICA

Lick it with your tongue. No... Don't lick it. Eat my pussy, please!
Shhh...ittt.... That woman is so fucking dirty... OHHH... I can't stop touching myself.
ALLMYLINKS.COM/MANDOLOGICA

OHHH
Hehe. Yeah, louder, Mom! Hehe.
ALLMYLINKS.COM/MANDOLOGICA

Waa... I'm going to...
FINGERING
ALLMYLINKS.COM/MANDOLOGICA

AHHH
Nooo... Lucas is... here... I should... Nnnooooottttt... Ahhh... I c-caannttt! Gosh!!
CUMMING
ALLMYLINKS.COM/MANDOLOGICA

Shit! No... T-This can't be... I didn't think I'd cum that quick. It's been a long time since I masturbated...
Hopefully, Lucas thought it was fake. I must be more careful.
Give me a minute, and then turn around.
Oh, your fake moaning is exciting me, Mom! I think that's enough. Could you lend me your panties?
Your moaning was so real, Mom! I hope she masturbated! Hehe.
ALLMYLINKS.COM/MANDOLOGICA

I love your pussy scent, Mom! Mmm...
Haha. Her panties are a bit wet. She masturbated!! She should enjoy herself more in front of me, because that will make her resistance to me become less.
Luckily, he didn't notice what happened. And again, his cock is erect and a bit harder.
ALLMYLINKS.COM/MANDOLOGICA

Now, could you do the seductive pose, please?
Moommm... Please...
Do you want for me to lose my erection again?
Why do you insist on me doing that?
Jeez... I've not seduced his father in years, and now, I'm supposed to seduce my son until he cums... I thought things would get easier since there was no touching... I was wrong.
ALLMYLINKS.COM/MANDOLOGICA

N-Noo.... I can't believe that I'm lifting my skirt up to reveal my butt to my son...
WO-HO!
ALLMYLINKS.COM/MANDOLOGICA

Stop embarrassing me Lucas. The whole situation is weird enough already!
Is this enough to arouse you?
Mom, how can you hide your sexy body away from me?
You're right. Sorry.
It does! Please lean on the couch.
Can't I just fuck her right now and screw the whole plan?!!
ALLMYLINKS.COM/MANDOLOGICA

Move what??
He wants me to touch myself?? How and when did Lucas learn those softcore moves?
Y-Yeah.
As if you're massaging yourself. This will be more helpful
That's a great pose, Mom! Now, could you touch yourself by moving your hand along your thigh?
Come on, Mom. Hurry up, please. Don't you want to end this task as soon as possible?
ALLMYLINKS.COM/MANDOLOGICA

Great! The tension is relieving, and soon she'll enjoy herself with no hesitation in front of me.
Damn... I wish I could rub my cock!! For how long can I hold myself back?
Like that?
ALLMYLINKS.COM/MANDOLOGICA

Move your hand slowly, Mom.
I'm trying. It's just-
I understand. Close your eyes and distract yourself by thinking about something you like most.
Will that help?
It will. Just give it a try.
OK.

Why the fuck am I thinking about that damn mom-son clip again???
ALLMYLINKS.COM/MANDOLOGICA

That woman's voice is in my head! I can't forget how she begged her son to lick her pussy...
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

Aaahhh... I want to fuck her right now!! I can't resist her peachy butt!!
MMMM
ALLMYLINKS.COM/MANDOLOGICA

HAHHH
I wish I were with William right now, and to ask him to spank me. But we haven't had sex for a while. Also, he is gentle and would refuse to spank me.
ALLMYLINKS.COM/MANDOLOGICA

No-nooo-NO! I don't want to cum now...!!!
I want to cum so bad again...
ALLMYLINKS.COM/MANDOLOGICA

MOOOMMM!!!
HUH
ALLMYLINKS.COM/MANDOLOGICA

Fuck me! I went way further than I should have.
It'sssss..... SO HARD now!!
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

I guess this is it to ask her to get undressed. It's the best chance ever!
No... My son is suffering... No!
ALLMYLINKS.COM/MANDOLOGICA

Mom?? What are you-
I'll stop your pain, Lucas!
ALLMYLINKS.COM/MANDOLOGICA

Come on, Lucas! Cum!
AHHH
ALLMYLINKS.COM/MANDOLOGICA

Mo...mmm... W...why...
Ehhh... I'm going to CUM!!
Shhh! Release your stress.
Rubbing
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

HAH
AHHH
MMM
ALLMYLINKS.COM/MANDOLOGICA

Thank you, Mom! Ahhh... Thank you!
What have I just done? I grabbed Lucas's cock to jerk off... I-I... I've crossed the line. I'm... A terrible mother!
ALLMYLINKS.COM/MANDOLOGICA

5 minutes later, Lucas brought some tissues for Adriana. She cleaned her hands and wiped off the cum
Oh my God! I've made Mom feel terrible. I'm nothing more than an asshole.
I wouldn't have done this to you if I hadn't been in love with you, Mom. I'm the one who should be sorry, not you.
I'm very sorry, Lucas. I didn't mean to cross the line. I just couldn't watch you in pain. Sorry for letting you down.
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

What is he doing?
Oh, her lips moved a bit to kiss me this time. I'll have you soon, Mom!
ALLMYLINKS.COM/MANDOLOGICA

That kiss... Was it...? No, it wasn't an accident this time. Lucas kissed me on purpose.
Maybe he was only slightly excited or thought this would cheer me up. I don't know.
All I know is that I couldn't resist it.
Let me just confirm that we have finished the task in the app.
Nice! She didn't complain or shout in my face.
Oh!
ALLMYLINKS.COM/MANDOLOGICA

What's wrong?
Well, they did say that they would pay a large amount of money, so I can understand that.
Do you mean the remaining bag?
I confirmed the task, but the organization will send you a survey to ensure it.
Also, they asked me to give you the stuff I bought.
Yes. I'll go and get it.
ALLMYLINKS.COM/MANDOLOGICA

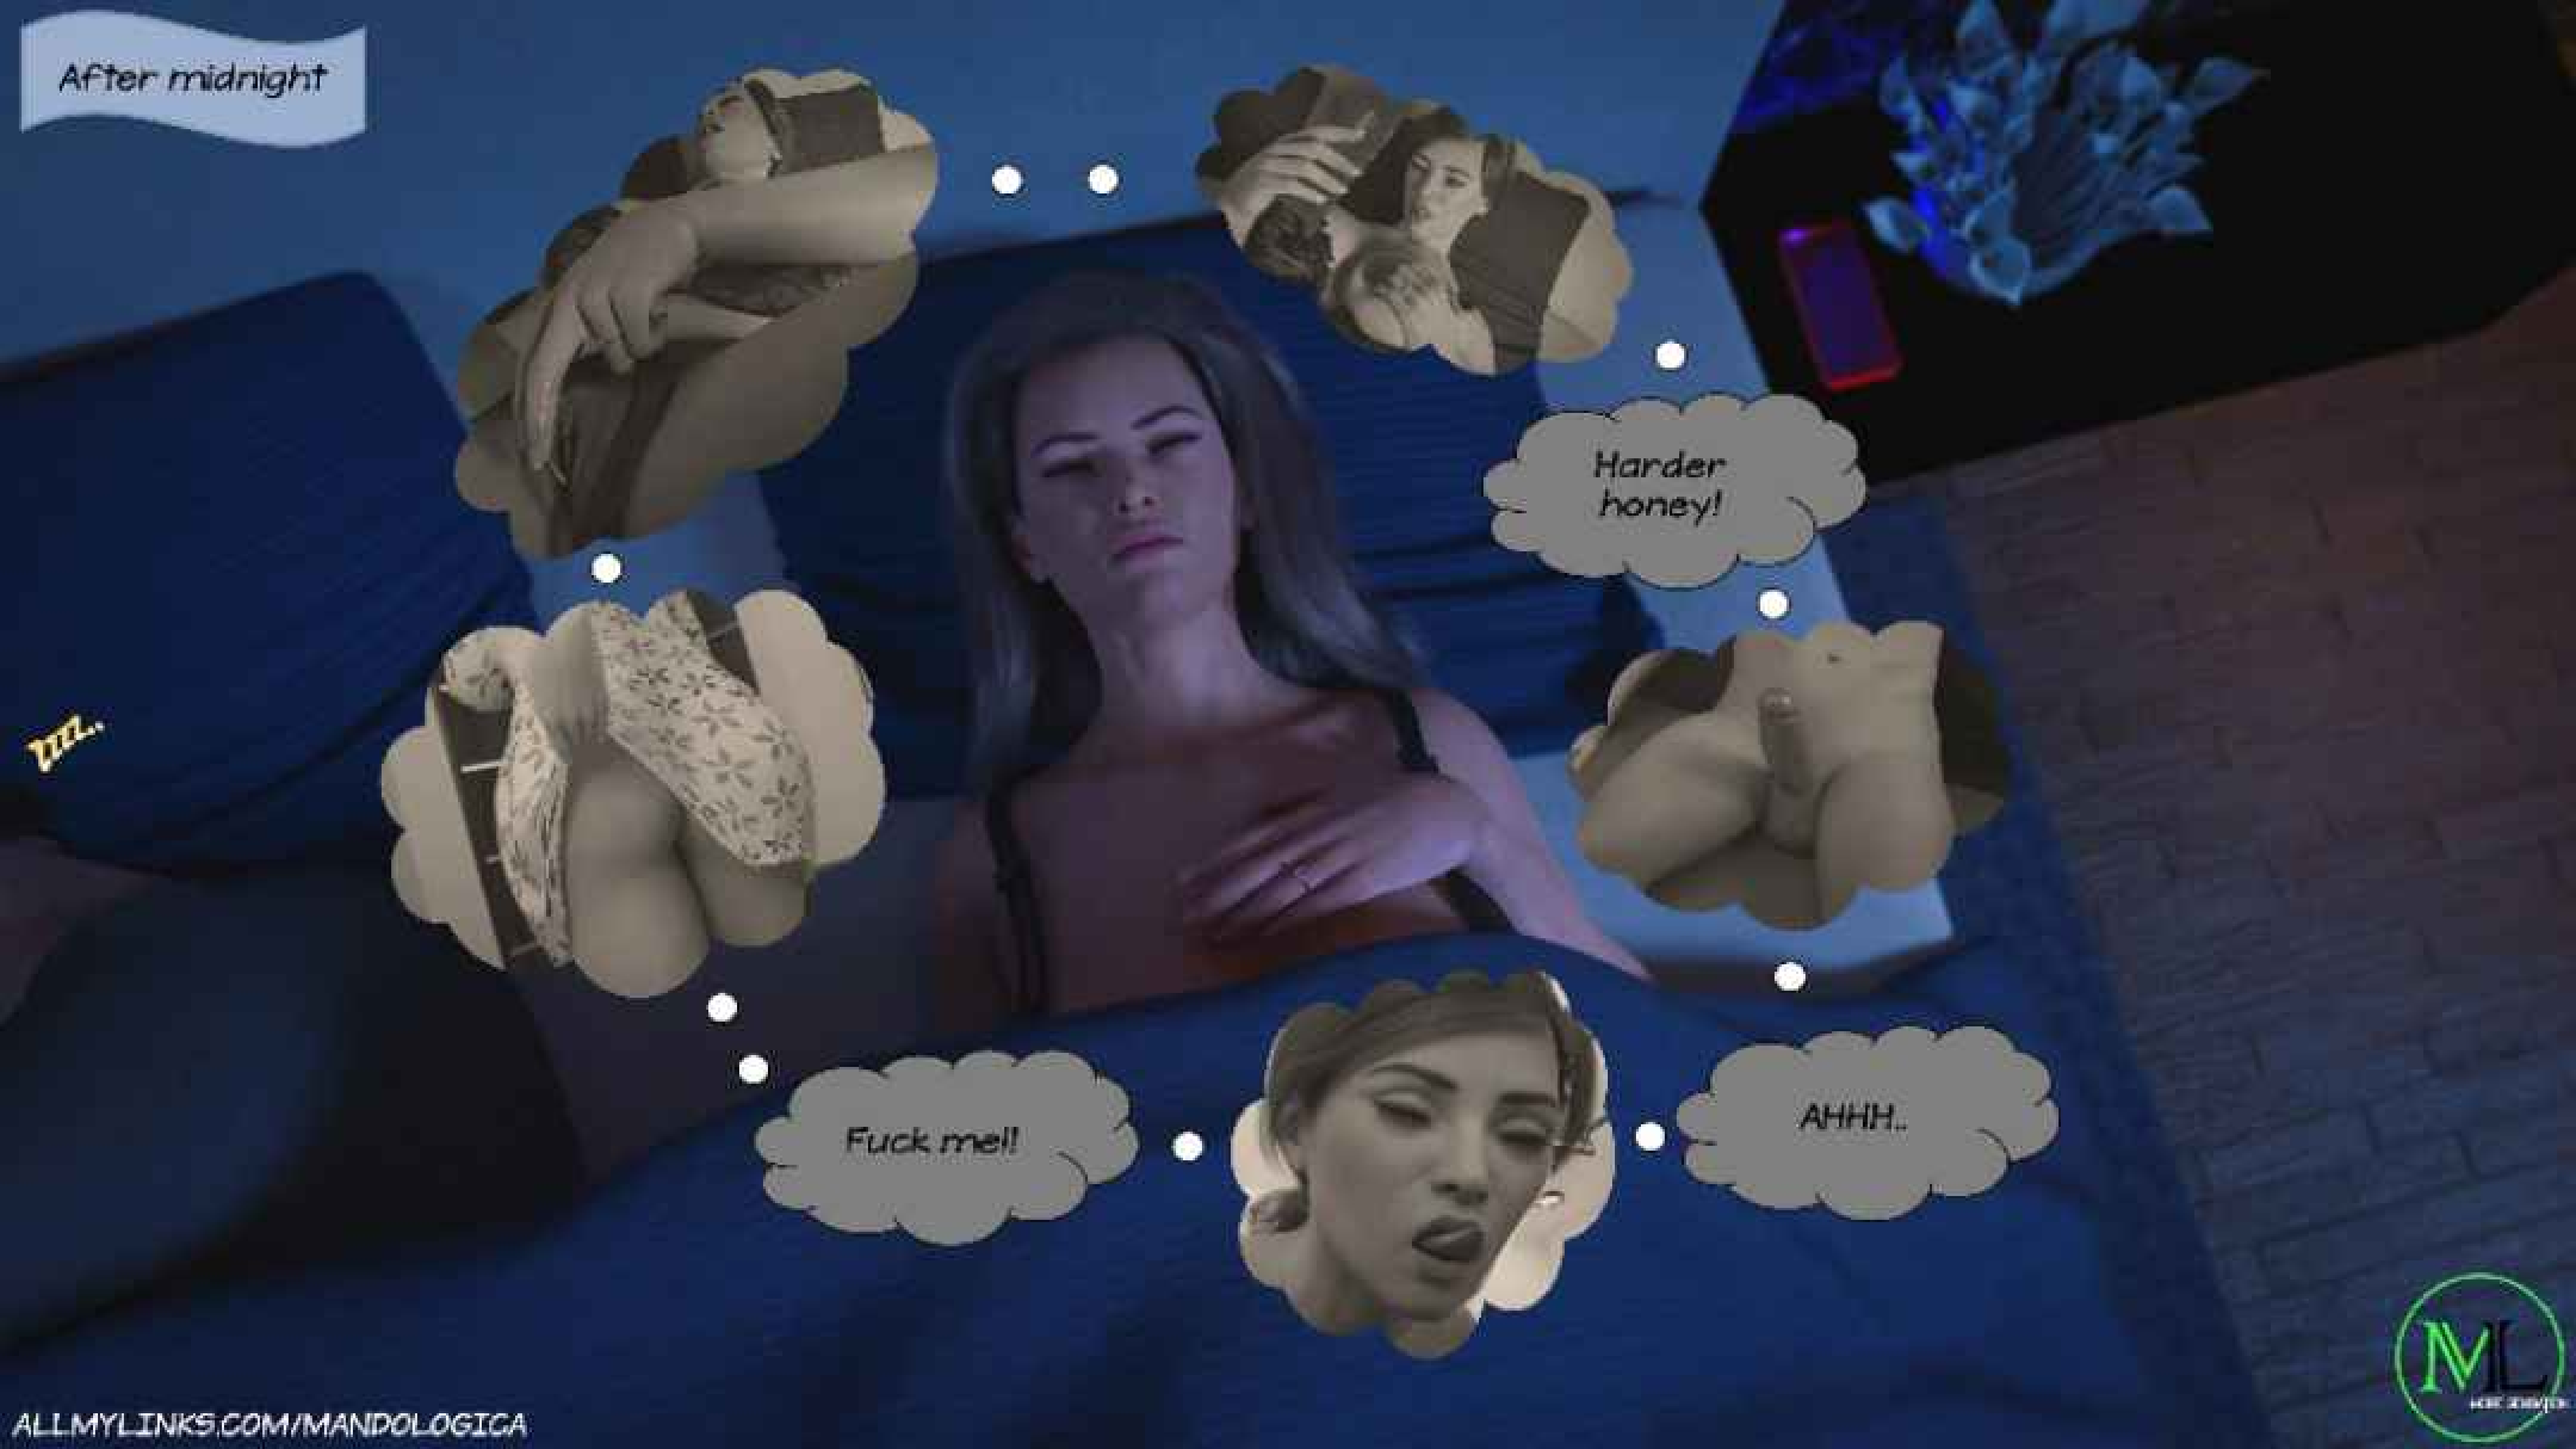
What's in the bag?
It-It's...
What the fuck? A vibrator??
ALLMYLINKS.COM/MANDOLOGICA

What am I supposed to do with this??
Those bastards...
LUCAS!!
Don't ask me. I was only told to buy it.
But everyone knows what vibrators are for.
What? There's nothing to be ashamed of. Men and women have their needs, don't they?
ALLMYLINKS.COM/MANDOLOGICA

Why are you blaming me, Mom? It wasn't my idea. But I think you're right. Please give me the vibrator back.
I'll hide it somewhere so Dad doesn't find it.
What would your father say if he found this vibrator here? Do you want him to think that I am some kind of perverted woman?
What are you going to do with it?
ALLMYLINKS.COM/MANDOLOGICA

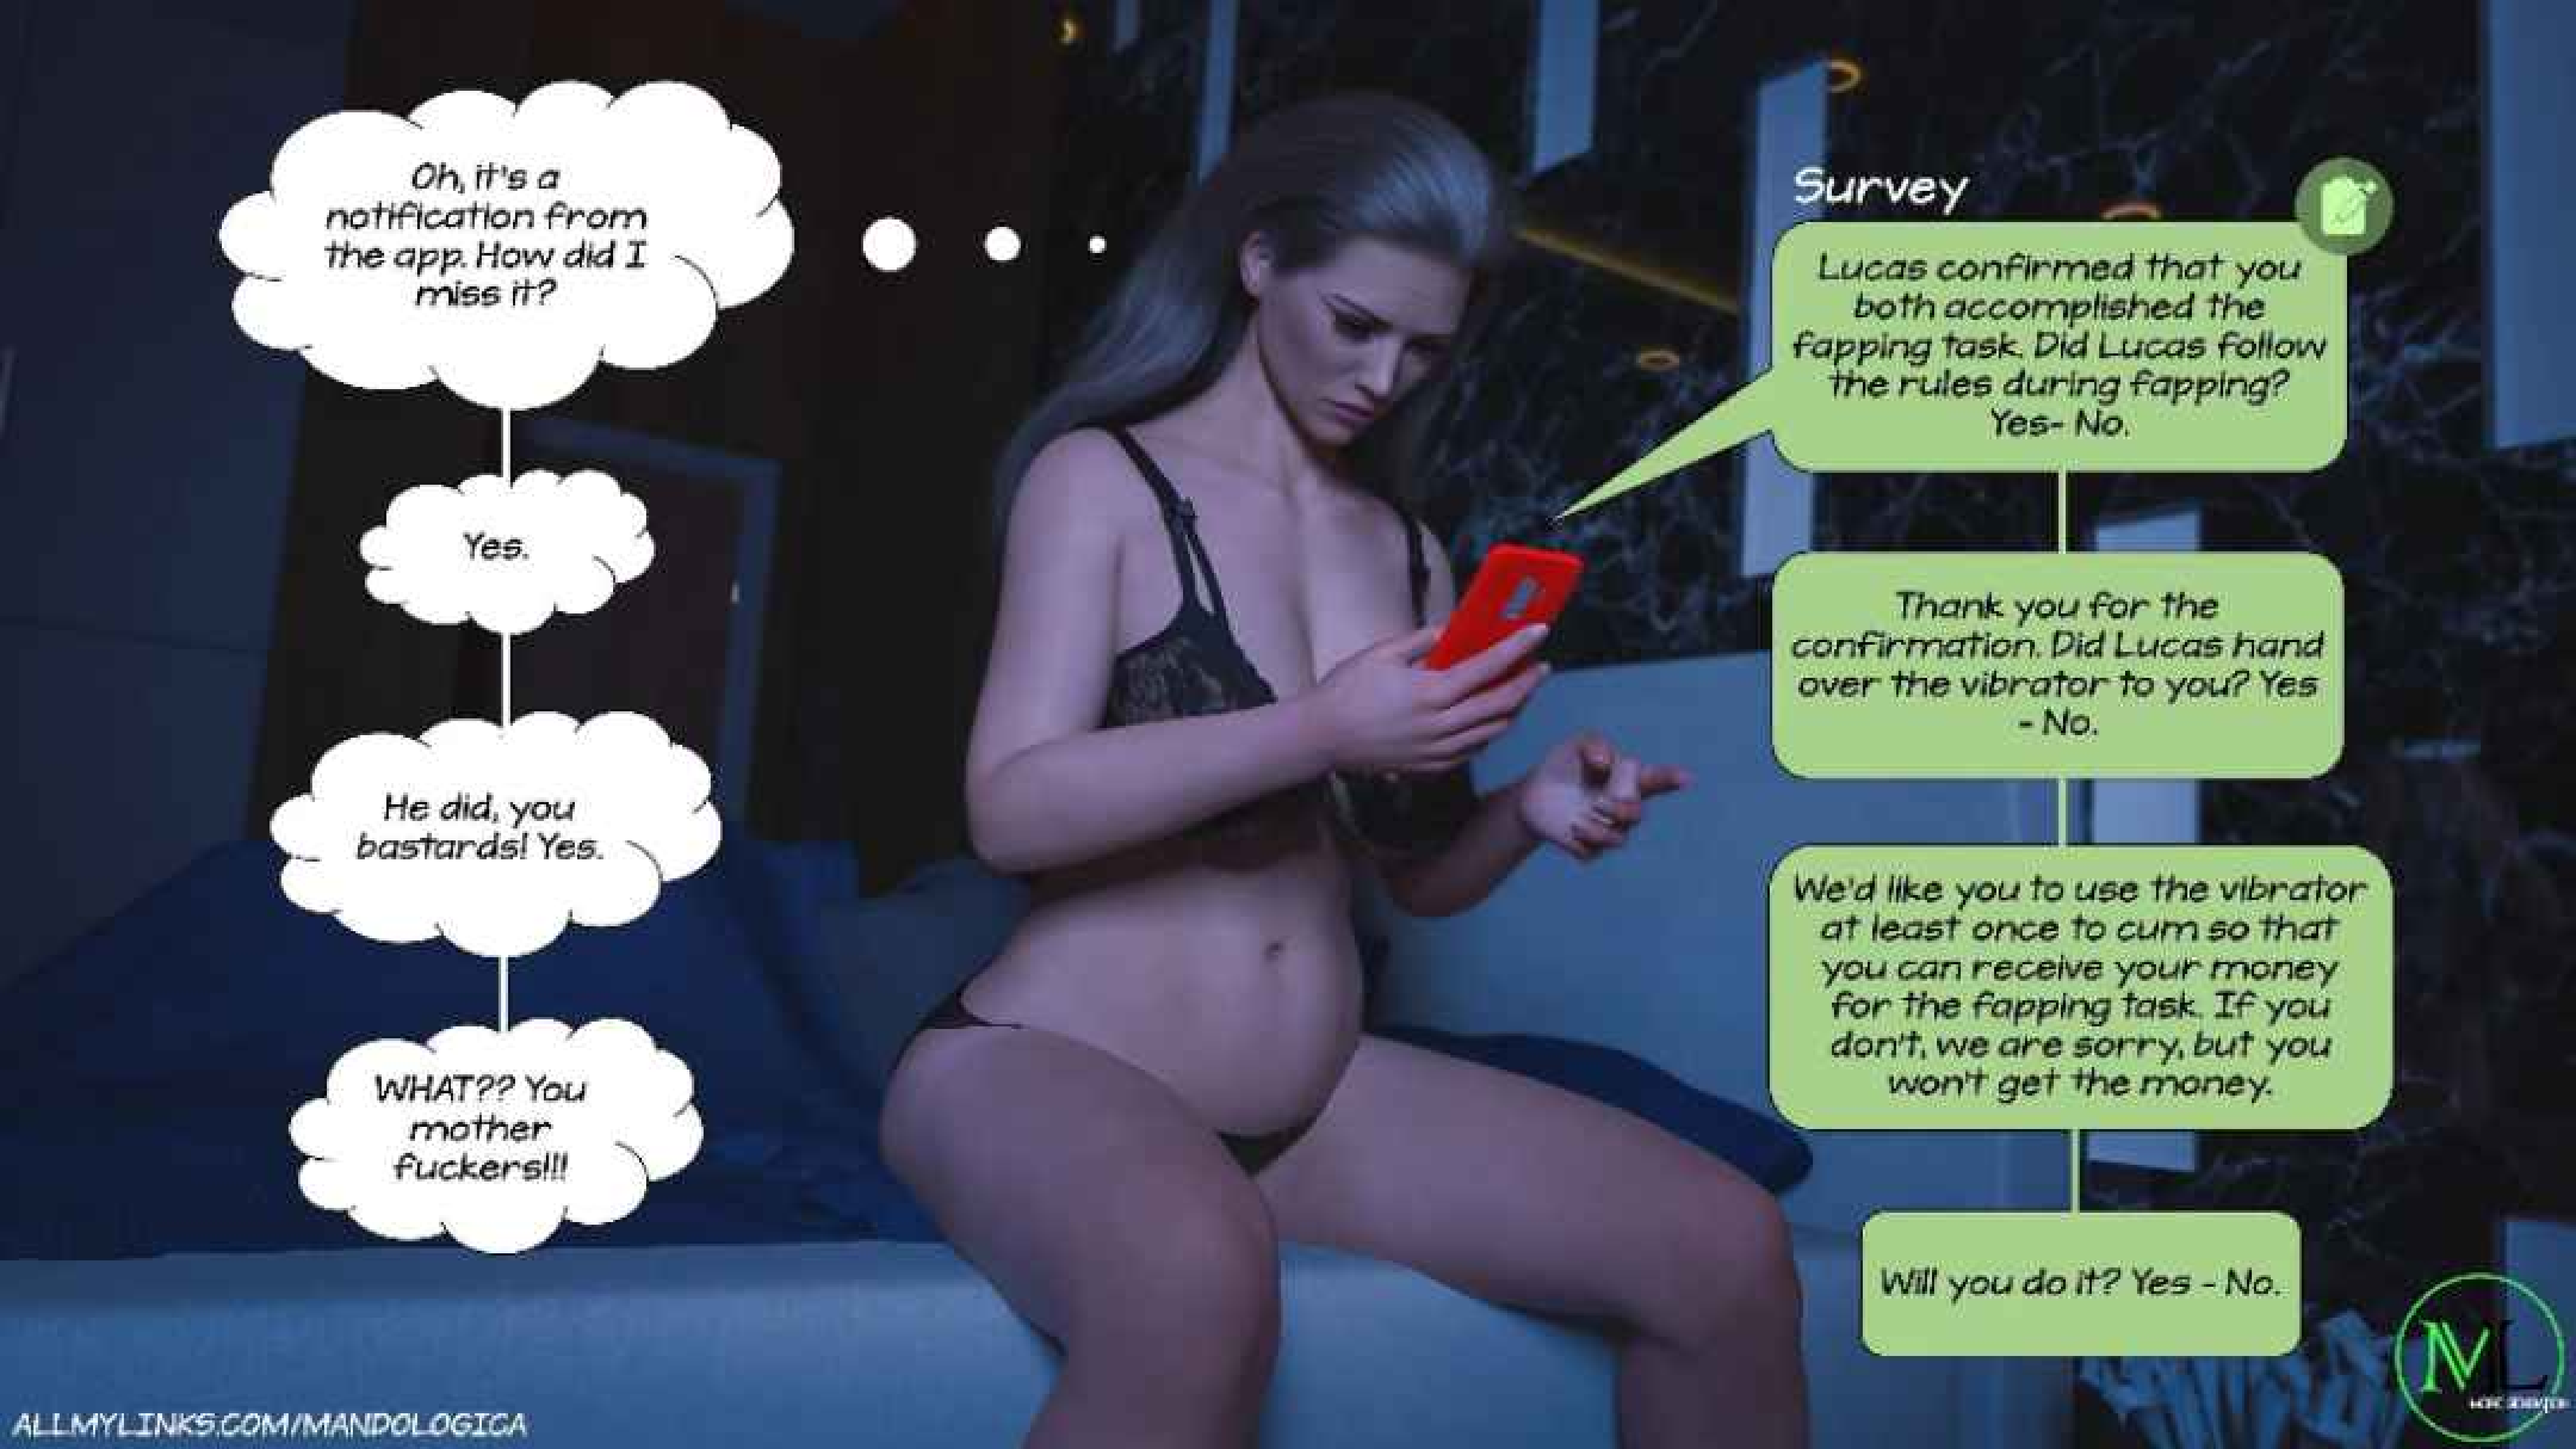
ALLMYLINKS.COM/MANDOLOGICA

What is it?
What does it say?
Hmm... I don't understand it, either.
Good night, Lucas.
I don't understand. It's a task, but it's too ambiguous.
It says, "Until we can confirm with your partner that you have done the fap task, you must be available for your partner. If you don't, then you won't get your share of the money.
Anyway, I guess you're right. I'm a bit tired and will go to bed. Maybe I will understand what they meant by tomorrow. Good night, Mom.



After midnight
Harder honey!
Fuck me!!
AHHH..
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA



Oh, it's a notification from the app. How did I miss it?
Yes.
He did, you bastards! Yes.
WHAT?? You mother fuckers!!!
Survey
Lucas confirmed that you both accomplished the fapping task. Did Lucas follow the rules during fapping? Yes- No.
Thank you for the confirmation. Did Lucas hand over the vibrator to you? Yes - No.
We'd like you to use the vibrator at least once to cum so that you can receive your money for the fapping task. If you don't, we are sorry, but you won't get the money.
Will you do it? Yes - No.
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

Survey
The countdown has started. You have an hour to use the vibrator. Please don't try to mislead or feed the system with incorrect data. Thank you for your understanding.
Jeez... Yes.
An hour?? I didn't expect that! I thought that I could do it at any time. SHIT! I must move quickly.
ALLMYLINKS.COM/MANDOLOGICA

In the living room.
Lucas told me where he hid the vibrator. Where was it? Damn it! I don't have enough time!
I must do it quickly before William or Lucas wakes up.
What are you looking for?
ALLMYLINKS.COM/MANDOLOGICA

Lucas?? What are you...? Why are you still awake?
I can't ask Lucas to turn around. He saw me rubbing my pussy, he kissed me, and I rubbed his cock. Things will never be the same between us again.
I couldn't sleep. I kept thinking about the purpose of my new task and decided to wait.
What about you? Why are you here?
Are you looking for the vibrator?
ALLMYLINKS.COM/MANDOLOGICA

To masturbate?
Y-Yes. But it's not what you think. Those bastards asked me to use the vibrator t-to... to...
Oh! So, we both must fulfill our tasks or we lose the money.
Y-yeah. And I must do it in less than an hour, or I won't get the money.
Aha! Wait! Now, I understand what my task is!
You do?
ALLMYLINKS.COM/MANDOLOGICA

I must be available to help you finish your task. Maybe they think you won't be able to do it alone.
OK, here is the vibrator. I'll be waiting in the kitchen just in case you need me.
OK-OK.
We shall see. Hehe.
N-No. I can do it!
I said that I can do it and that I won't need your help. Now go to sleep.

ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

Hmmm... It doesn't sound like a bad idea. Okay, give me the vibrator.
YOU WHAT???
That's insane. I can't believe I'm having this conversation with my son!
I'll ask some sexy questions to turn you on while using the vibrator.
No! I'm the one who will hold the vibrator.
Shhh... You'll wake up Dad.
In order to make you cum quickly, we will act as if you are with Dad. He is telling you dirty words while he is fucking you. You don't hold Dad's cock while he is fucking you, do you?
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

Nice! Did he kiss you first? Or undressed you first?
Wow! Ha-ha. Can you show me how he squeezed your tits? as you won't let me touch you.
Damn! She is so cute!
At the graduation party, it was our first time.
Ehem... Your father is a boob man. He revealed my tits first.
ALLMYLINKS.COM/MANDOLOGICA

Like that.
Now is the right time!
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

HAHAHA. I'm getting there. I shouldn't turn the vibrator on now. I should wait for the right moment.
AH! WH...
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

There we go Mom! We are getting there. Push yourself a bit more and pinch your nipples.

Come on!!

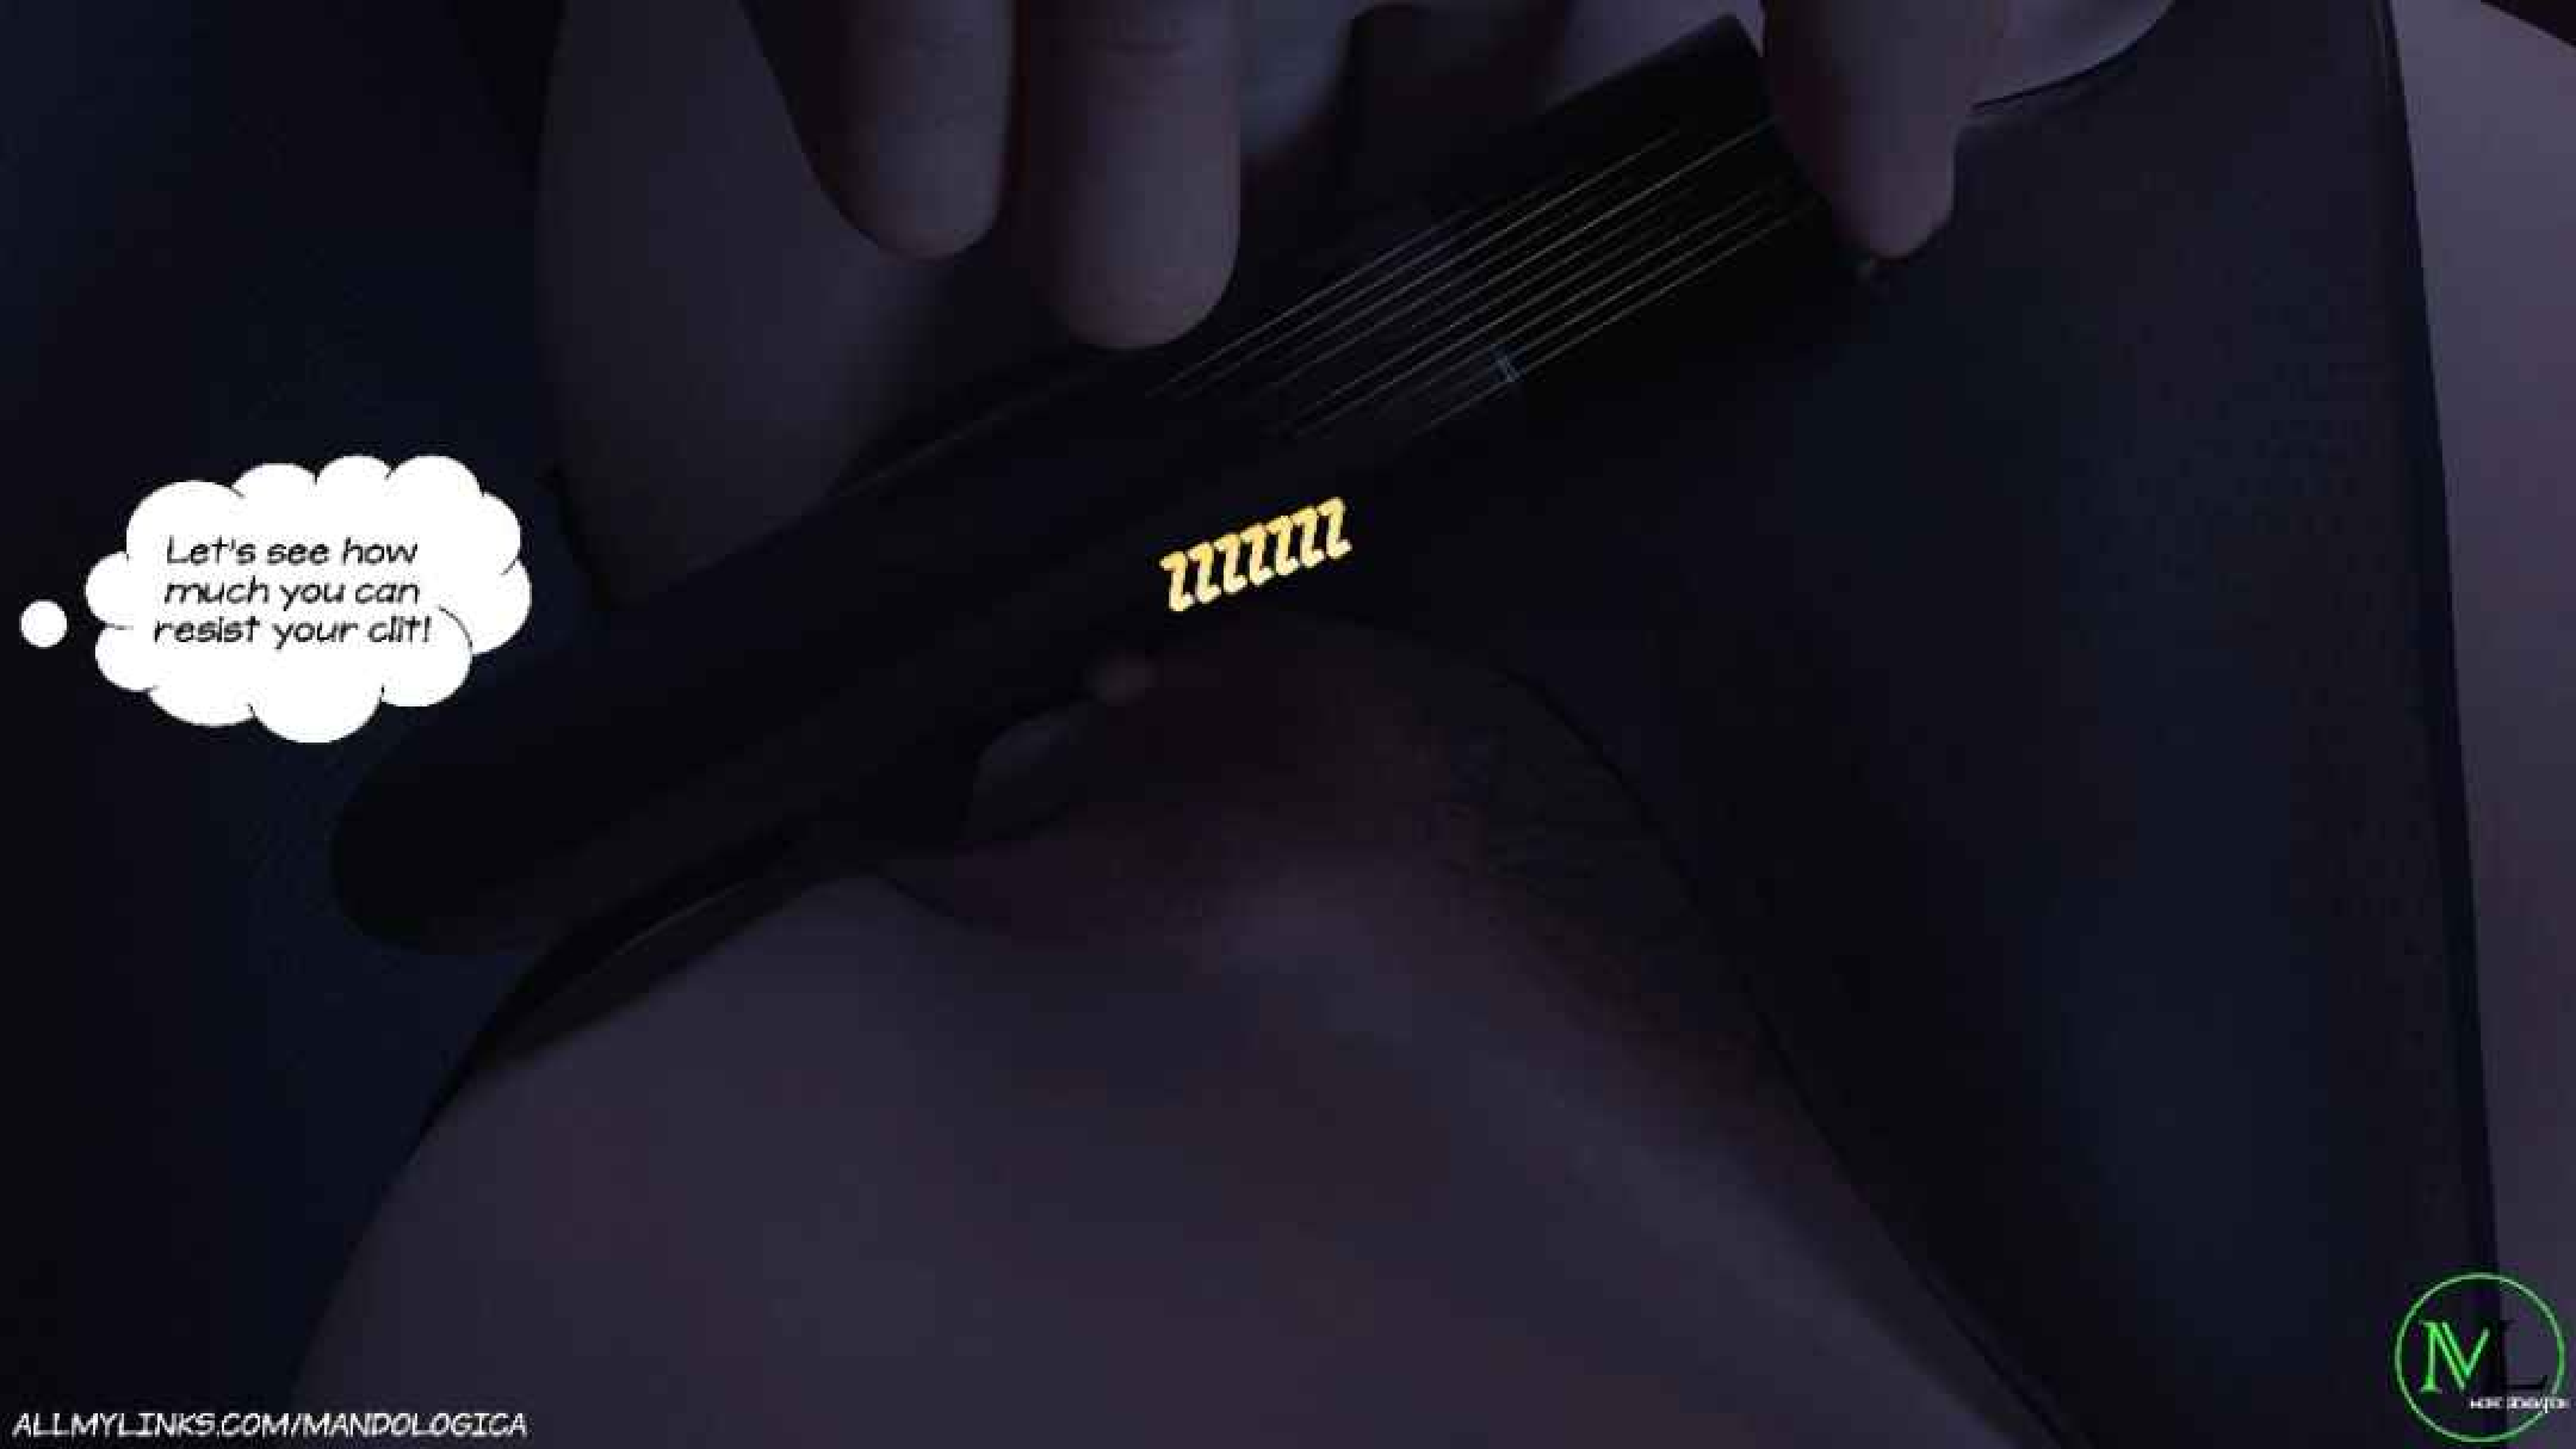
AHHHH... Hahhhh...

Oooo-kaaa-yyy.

ALLMYLINKS.COM/MANDOLOGICA

Greeeaaattt! Does Dad bite your nipples hard?
OHHMMM
ALLMYLINKS.COM/MANDOLOGICA

YES! HAAAH... Lucas... This is...enough... I-I can continue... Alone.
And I lose this chance? No way, Mom. Level 2!!
ALLMYLINKS.COM/MANDOLOGICA



ALLMYLINKS.COM/MANDOLOGICA

AHHHHH SHIT.... HAHHHH
Your clit is driving you crazy. I knew IT!
ALLMYLINKS.COM/MANDOLOGICA

At LAST! You are in my arms, Mom!!
LUCAS... NOOO!! AHAHHH... Sss-Top.
It's OK Mom. You're almost there! Just hold on for a little more. Please.
ALLMYLINKS.COM/MANDOLOGICA

I'm going to do some things to distract you from the discomfort. Is that okay, Mom?
Lucas, no!! It's moving around too much! I can't take it!
Yes, OK. Please hurry. It's burrowing into me.

The neck is said to be an erogenous zone. Kissing Mom here is sure to turn her on more.
HAAAHHH. Oh, that's nice but...
She's hugging me tight in pleasure. Her boobs are squeezed onto my chest. They are so soft.
ALLMYLINKS.COM/MANDOLOGICA

Her boobs are exposed. I'll use my tongue and slowly work my way down to her nipples.
Oh, God! You're going to make Mommy cum, Lucas!
Wha... How could I... SAY..T-This... To... AAHHH. L-Lucassss...?? This damn vibrator!!
ALLMYLINKS.COM/MANDOLOGICA

I can't wait. I want to cum so bad!
I can't believe I'm cumming on my son. This is wrong...
EEEHHH SH-SHITTTTT!!
Holy shit! Mom's squirting a hell of a lot!
BITE
ALLMYLINKS.COM/MANDOLOGICA

SHHH...
ALLMYLINKS.COM/MANDOLOGICA

It's okay, Mom. I got you!
I'm so lucky to have such a loving mother. You've helped me and our family's wellbeing.
HNHH
OHM
HAH
That was so intense. I hope those bastards are satisfied now. This is all for your future.
ALLMYLINKS.COM/MANDOLOGICA

What have I done! Let go of me, Lucas.
I'm a whore that jerked off my son let him put a vibrator in me. And I even let you kiss and lick my neck too. I'm such a terrible mother.
Mom? What's wrong?!
Don't say that, Mom. We talked about this. You did it to help us.
ALLMYLINKS.COM/MANDOLOGICA

So you seem to think it's wrong that your son helped you cum.
Well how about I do this to make us even and make you less embarrassed.
See your pussy juices dribbling down this vibrator..?
Of course, it is. How can you think it isn't?
Do what?
ALLMYLINKS.COM/MANDOLOGICA

MMMM
God!! What the hell is he doing. He's tasting the liquids from my pussy and he's loving it.
And before he was smelling it. His own mother's pussy juices. Why can't I look away? I should be disgusted.
ALLMYLINKS.COM/MANDOLOGICA

I can't believe this boy.
It's not as simple as that, and you know it.
See Mom, there's nothing to be ashamed of. We're just following the task, as two strangers would.
ALLMYLINKS.COM/MANDOLOGICA

It's no simple thing. We're still mother and son.
Will Lucas really be okay without the scholarship. No, I can't think like that. What's done is done.
I dread to think what those perverts have in mind next. I hope it doesn't cross the line even more.
I think once you put it out of your mind that we are related, you will be able to handle the tasks a lot better.

Huh?
Aamm...
I was just trying to help you accomplish the task. Nothing more.
Better not to argue with her right now. I should apologize and go to bedroom.
But I'm sorry anyway.
Lucas, You said you'd kiss my neck during what we had been doing, but you licked it instead.
Also, this evening, you kissed me on purpose.
Let's make one thing clear just because we lost ourselves in the heat of the moment, doesn't mean you are allowed to put you hands on me whenever you want.
ALLMYLINKS.COM/MANDOLOGICA

I think if we made it through this, we could handle anything they decide to throw at us.
Okay, Mom. Goodnight.
Mom's sexual inhibitions are lowering, and she will become more open to the tasks. It's just a matter of time.
We may have passed the task this time, but you did overstep today. And I'm confiscating this vibrator.
Goodnight.
Now, I need to get rid of this DAMN vibrator. I don't want it in my house!
ALLMYLINKS.COM/MANDOLOGICA

Two days later, in the morning, Lucas was monitoring Adrianna through the cameras.
HAHA. Woah!! What a surprise, Mom. It took you a short time to do this. Oh, poor girl! she is using the empty bathtub instead of bed because Dad is still in the room. This is hilarious!!
ALLMYLINKS.COM/MANDOLOGICA

OHAAAH
ZZZZ
ALLMYLINKS.COM/MANDOLOGICA

Those pervert scientists know much about women's pleasure secrets... Mmm...
ZZZZ

How didn't I think of this idea before? This vibrator could have changed my boring sexual life for the better.

AhhHH...

ALLMYLINKS.COM/MANDOLOGICA

ZZZZ
Yes-yes, you are becoming naughty, Mom. Keep enjoying yourself! The more you do without Dad, the easier your pussy will be mine later.
ALLMYLINKS.COM/MANDOLOGICA

Lucas

Hehe. What a contradictory view! Dad is preparing for the cruel real world, while Mom is sinking in the pleasure world.

ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

A couple of minutes later.
What's gotten into me lately? I was always so careful with how I dressed in front of Lucas. Always so respectable, as a mother should. Now here I am wearing something like this...
ALLMYLINKS.COM/MANDOLOGICA

Well, what's the harm now. After everything else...
Lucas keeps on saying that I should enjoy myself and be comfortable with how I dress. As long as William is not around, I am free to dress how I want around Lucas.
And something tells me Lucas will enjoy seeing me like this.
ALLMYLINKS.COM/MANDOLOGICA

Huh... That sounds strange when I think about it. I'm afraid to dress like this in front of my husband, but apparently my son is fine.
Lucas
She's on the way, coming to my room. I have to act surprised by this.

Good morning, sweetie.
It seems so. You haven't taken your eyes off me since I walked in.
I would say so, Mom. This is a nice surprise.
Of course, Mom. You look absolutely stunning. I'm like a deer in the headlights. And...
Whoa! Those are a nice addition.
ALLMYLINKS.COM/MANDOLOGICA

Yeah. They really add something that accentuates the dress.
You mean my long-socks?
Or maybe you just have a thing for socks and feet. Your father used to get turned on by legwear too.
Now that IS surprising. A boob man I get, but a leg man too?
Also, honey, I'm sorry I shouted at you a couple of nights ago. I was just a bit taken aback by the whole situation.
ALLMYLINKS.COM/MANDOLOGICA

No need to apologise, Mom. I know it was a near impossible task. But you were able to get through it, and now our family will benefit from it.
Also, about that task, the organization said they will make the bank transfer payment to me, and it should arrive in 2-3 days.
By the way, what did you do with the vibrator? Did you get rid of it?
Hmm, she's still uncertain about her true desires. True, she's dressing in more sexually revealing clothes now, but that's not enough.
That's wonderful news, honey. I'm glad all this can all be looked back on as being worthwhile
Oh yeah, that thing... Yeah, I threw it out. You know, it's too risky to keep around the house in case your dad found it. Anyway, they didn't specifically say to keep it after the task, so I figured it was just for that one task.
ALLMYLINKS.COM/MANDOLOGICA

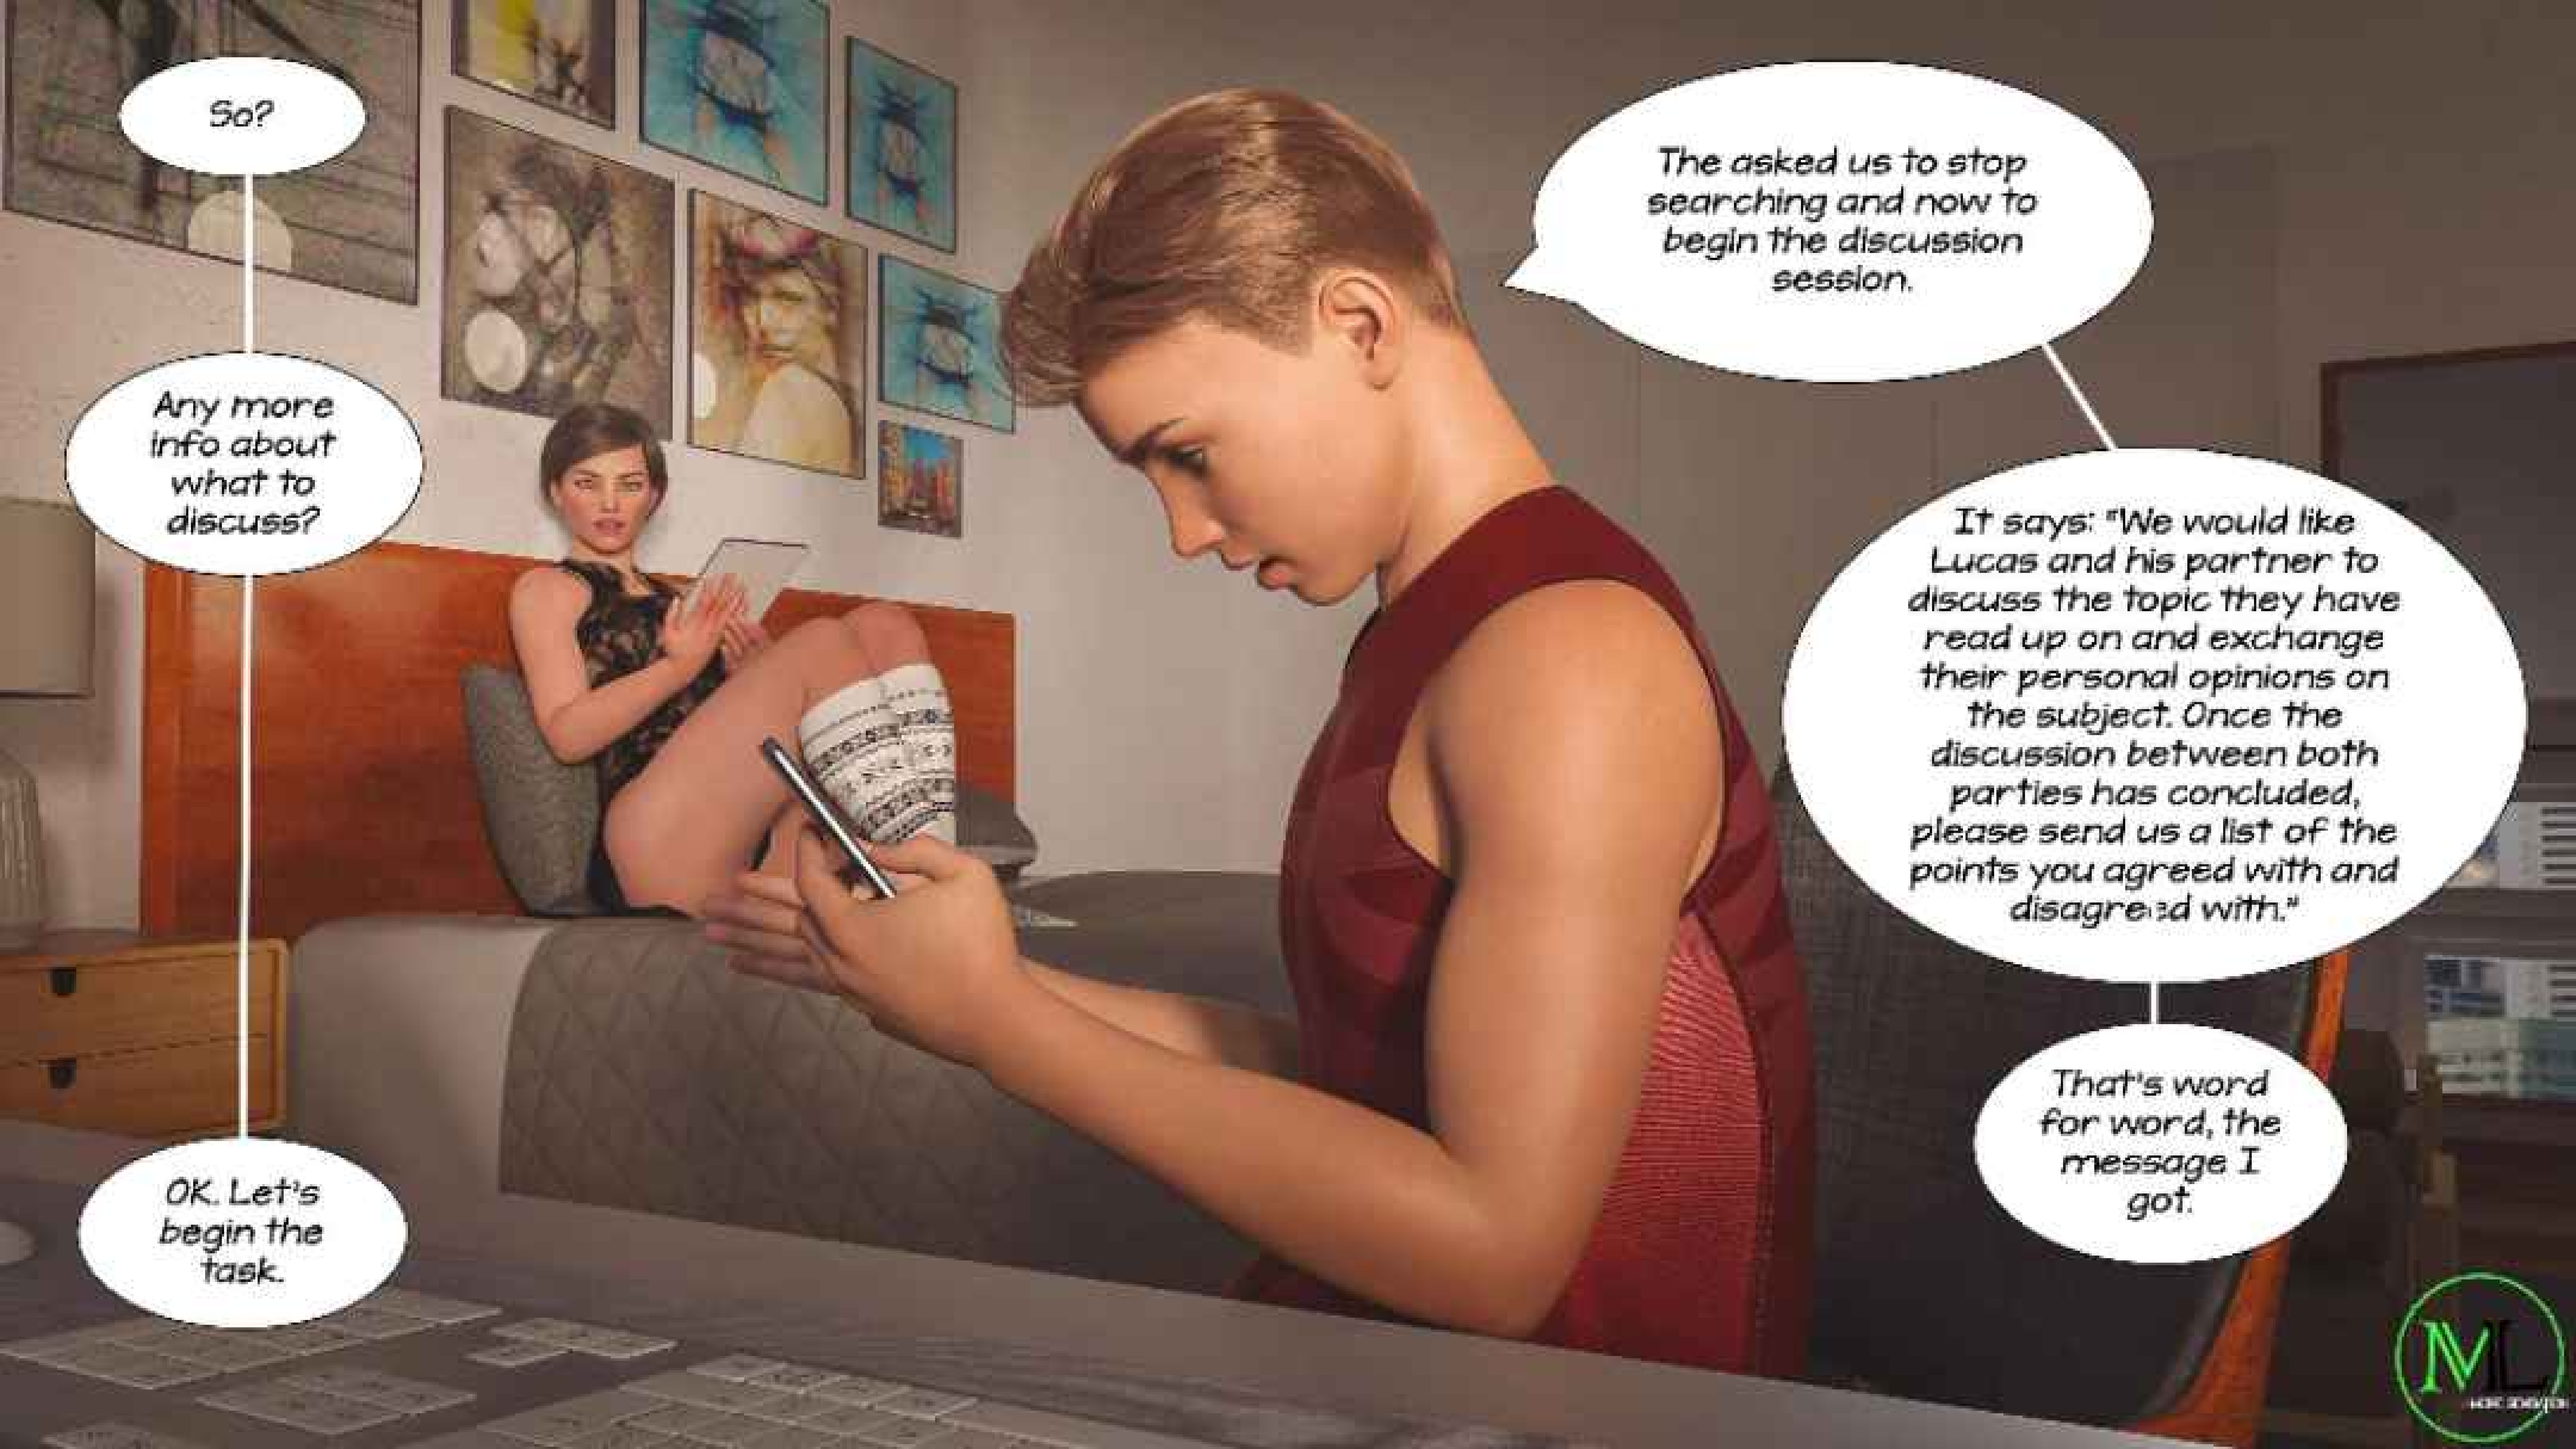
So, have you heard anything back about a new task from them?
Oh yeah, I nearly forgot - as it's something simple. A research task. You must have got a notification too.
I haven't had a chance to look today, since I got dressed and came straight here at once. But I am glad it's a normal task and not something weird again.
Yeah, that must be a relief.
What does this research task entail, then?
ALLMYLINKS.COM/MANDOLOGICA

I don't get it? Cheating is cheating. No arguments required.
Okay, there might be more to it when you say it like that.
They wanted us to discuss the meaning and semantics of the term "cheating" in relationships.
Could be. But they want us to research what in fact constitutes sexual cheating. For instance, is a kiss considered cheating. Is being naked in front of a stranger cheating, even if there's no touching? Things like that.
ALLMYLINKS.COM/MANDOLOGICA

That sounds like a piece of cake compared to the last task. Maybe they gave us an easy task to ease our minds after the stress of the last task.
Let's get you some breakfast first. You can work better after a good meal.
Okay... so they want us to research different forms of cheating for 2-3 hours and then they will send us further instructions.
Alright, let's get started, then.
Haha. Still my loving mother, I see. I'm glad that nothing has changed.
ALLMYLINKS.COM/MANDOLOGICA

After breakfast, Lucas and Adrianna returned to his bedroom and spent about 3 hours researching and reading articles before Lucas gets a phone notification.

ALLMYLINKS.COM/MANDOLOGICA



So?
Any more info about what to discuss?
OK. Let's begin the task.
The asked us to stop searching and now to begin the discussion session.
It says: "We would like Lucas and his partner to discuss the topic they have read up on and exchange their personal opinions on the subject. Once the discussion between both parties has concluded, please send us a list of the points you agreed with and disagreed with."
That's word for word, the message I got.

Alright, let's hear your side of the argument first.
It's pretty much cut and dry from my side, any woman being kissed or touched in any way inappropriate in secret from her husband, is considered cheating.
I see. What about a woman being naked in front of another man, but no touching occurs. It happens sometimes when posing for paintings and such.
Hmmm... I'm not sure. If it's not kept from the husband and everyone is okay with it, then I guess it's fine.

Alright, so we are agreed, then. Task accomplished.
Which kind of relationship do you mean?
Actually, Mom, I was reading up on another relationship and want to get your opinion on if the same rules apply.
I would say so. Would you not agree?
So, it seems to all boil down to anything sexual that doesn't have the husband's approval is considered cheating, by your viewpoint.
It sounds like a fair assessment of most situations.
ALLMYLINKS.COM/MANDOLOGICA

Is an incestual relationship between a mother and son considered cheating?
But wouldn't the son also be a younger man?
I thought the task was dealing with cheating between a married woman and a younger man.
Technically, but it's a family member, so it doesn't count.
What doesn't count? You don't see a mother-son incest relationship as being an affair?
Can you explain your reasoning?
What?? No, no, it's still an affair.
Damn, now he's making it weird again, talking about incest. That's hitting a little too close to home

Just her vagina? What about her ass? I mean her anus?
What I mean is, if the pussy is just for the husband, maybe the ass could be for the son?
Her what???
ALLMYLINKS.COM/MANDOLOGICA

That's fine, Mom. I can just add it to the disagreed with points in the list.
I'm just putting it down for the sake of the task. That's all.
No-no-no! I feel like we're not just talking about the task here, Lucas. I can't continue this discussion with you.
No! Why would you want to do that?
ALLMYLINKS.COM/MANDOLOGICA

Do you want to look like a pervert to them? And what if that's giving them too much information, and they figure out who I am.
Haha! Pervert? Why? because I am asking questions about incest relationship.
Mom, I'm going to be a psychologist one day. And one of the most talked about psychological relationships was proposed by Freud, being the Oedipus complex. And also, one of the basic principles of Psychology is to respect and value the feelings and views of others - even if we don't necessarily agree with them.

I know. It's just...
Lucas, I'm worried that the organisation will take these disagreed with points and force us to do more perverted tasks for money, like they have already done.
That's a good guess, Mom. That's what I was going to do.
But at the same time, I don't want you to lose the scholarship because of something I'm incapable of doing. Please Lucas, don't give them any sick ideas!
OK, but are you asking me to fudge the results? And mess with the whole operation?
Yes. I mean no. I... Geez... I don't know... Even though I suspect what the organisation might do, I can't ask you to cheat the system. If they discover that something is off, it may lead to them cancelling the whole experiment.

I won't send them, but you need to also promise me that you will be objective in the tasks too. And I mean not refusing the tasks unless you have a real reason for saying no. Can you promise me that?
Great! Then let's get work on those tasks.
And in addition, no bringing up sending the disagreed points to the organisation again. Alright?
Alright. Yes. I do. I promise.
