

Its coming back to me now

Son

That horrible memory I thought  
I finally forgot...

It's all coming back  
in front of me now.

Son?

Hey why are you spaced out like that?  
Say hi, I just realized you two are same age?

I want two of you to get along when we are all together.

Haha...  
ha..  
hi?

Son?

You okay?

What's...

I just don't feel good...

No...

It's been a week  
since he ran away  
from home he  
doesn't have place  
to stay now also

He is going  
through unstable  
stage mentally

He...hello..

Hi

I am relieved  
that you are  
gladly accepting

this request

Every other  
places  
already  
rejected...

Your mind can get  
hurt much  
as your body.

Just pretend you caught  
fever on your mind.

I will help you  
get all better.

Can you also  
trust me and  
let me help you?

Sniff...  
yes..

Thank you...

You must be  
hungry lets go.

But  
at least...

You should've at  
least discussed it with me...

I'm really sorry  
son...

But it was  
difficult situation...

Mom..  
You are psychological counsel...  
But my mom before that.

I really don't  
want to be  
hindrance to  
your work.

But... can you  
also consider  
my position...

Oh no, baby woke up

O  
O

OH  
OH  
O

O

funny?

Puff...  
kekeke....

Ah..

You really  
manned up?

What?

But you know  
you can't still  
be whining to  
your mom, that's..  
You still act like  
loser even now...

If you want to  
act like man of the  
house you should  
really take good care  
of her right?

But it's good to  
see you again, really glad

From what your mom  
told me, your father passed away  
right after your sister was born.

What...  
do you  
know!  
I was..

Whoa~  
not too loud  
everyone  
can hear this

It was hard for me,  
but I didn't want  
to make her worry!!

Ah... I wonder how she  
will react to it once  
she knows. I'm curious

No... you can't  
mention that...

Don't get too jumpy...  
I'm going to be quiet for a while

We are not just  
kids anymore now right?

Son~

Can you look  
after her a bit?

I'll do it  
doctor,

She is very cute  
must've got that  
from mom

마마

You silly baby  
you cry so much  
whenever your brother  
was holding you  
quite amazing.

If... I  
just...

Told her everything  
would that have...

made a difference?

쩝쩝

쩝쩝

Ugh....

What is that noise..

That's  
Min-hyuk's room?

Min-Hyuk

tough for you.  
-Min-Hyuk-

Min-Hyuk was

during his stay

sweet heart....

He was actually  
enthusiastic about  
helping house

always praised him

a month since  
Min-Hyuk arrived

Welcome home

Yes son...

Ah its nothing...

Her bottom was so red and swollen by the time he pulled his vicious thing out

She was making all sorts or slutty noise to slurp it

that sight was so strange and vulgar

for a moment I realized there was nothing I can do there

all I can do was watch with blank mind

and their activities only died down until it the sunrise

Why are you always  
on his side all the time?  
why?

I can take this  
anymore!!

That's all  
you have  
to say to me?

You are still  
so immature  
not thankful at all

Min-Hyuk at least  
doesn't act like

I wish he was

your mouth

It's your fault  
for getting  
bullied behaving  
like that!

Don't ever come near  
my bedroom ever!

ㅋㅋ

I ran away from home that day and for a while I crashed into different places

I thought that if I left home  
Mom would be convinced  
but...  
that was a wrong idea

She didn't bother calling me for 20 days since I left home

I was cold and hungry I needed to take shelter at youth welfare

Doc don't you  
regret this?

Ah...good...

Past is  
just past

stop  
talking  
about  
that

Don't  
you need  
to find him?

Don't mind

kid like that  
I just want  
you around

That strong  
Stench

But I can now understand what you are going through lot better...

Truth is it's not just consulting today

Been a year now and through tracking

Min-Hyuk is no longer with your mother now

Ah...

m...mom...

When I stayed around mom's place  
for a while we didn't say anything  
to each other.

Mom was only waiting for  
Min-Hyuk to return.

She even hurried to open the door when  
slight noise occurred on front of the house.

One day...  
Min-Hyuk finally returned.

As if she was waiting  
for it all this time  
she started slurping  
Min-Hyuk's dick  
like she was  
starving for it

With a lewd expression  
and tongue movement  
I never seen...

I wish that  
this was actually  
all just a dream.

Been a while  
old lady

AH YU  
Haah...  
I missed  
this  
sensation

She didn't even care at all about my presence in front of her.

of♥  
Why is your pussy so tight for a milf, cum on!

Aah..  
yes...YEesss!

It was scenery of Min-Hyuk and his friends who used to bully me enjoying sex.

All sorts of lewd noise and from mom's pussy

Spitting out Min-Hyuk's sticky cum endlessly.

Mom did not look satisfied...

She started to masturbate while licking her own armpit.

Just how low have you fallen to doc?

Mom's armpits and her pussy were full of pubes grown messy.

While this was happening crowds gotten larger

and they giggled hard enjoying the view
